Dear Friends of Christ Lutheran,

It is auction time again and the Parent-Teacher League of Christ Lutheran School wants to invite you to join us. This year we are hoping to reach our goal of \$75,000. Last year's event was very successful. God blessed us with the help of never-tiring volunteers, wonderful students, and most of all, outstanding merchants and business people like you!

This year's event will be held on November 11, 2017. Over the course of the next few months our volunteers (parents, staff and even the students themselves) will be donating their time and energy to securing fabulous donations for our annual auction. This year's auction proceeds will benefit Christ Lutheran School and the school's scholarship program.

Christ Lutheran School, the only parochial school still in operation on the south side of Peoria, has been educating and molding young people for more than 120 years and continues to meet the needs of families struggling to keep their children in our school. Our congregation is very supportive of the school's ministry; however, as you know, these times are very challenging.

Would you consider making a donation this year? Enclosed you will find an acquisition form. By making a donation you are helping ensure a child will receive a solid foundation of Christian Education. Every dollar earned at the auction will go to benefit the children. Matching funds have been applied for from Thrivent Financial.

Thank you in advance for all of your support. Without businesses like yours, we would be unable to provide so many opportunities for our children. Our deadline date for inclusion in the auction catalog is November 3, 2017. If you would like information about attending this year's auction, or just have general questions, please feel free to call our school office at 637-1512.

Sincerely,

Terry Mooney
Christ Lutheran School Principal
